

December 2009 PCM Newsletter

We are glad to be able to send you this newsletter today. We thank you very much for your prayers and financial support to our ministry (PCM) in Haiti.

News About the family

Mirlande and I are doing fine. It will be a year this coming December 27, since we were married. She is a big help to my ministry and a wonderful wife.

Lucie is now engaged to a good Christian young man; they have been going to school together for a number of years. Andy is from Ghana, Africa and is working on his Master's degree in Theology. He plans to go back home and do missions work. Lucie will turn 24 on December 24, 2009. She is working on her master's degree in public Affairs. They both will be here in December for two weeks. Andy will be preaching at Delmas Christian Church on Sunday December 20th. He speaks both French and English. Elie and Williams are still doing great in school. They are 6th and 5th graders, and love church and school. They both want to be preachers some day.

Elie's birthday was November 22nd, and Williams' was on April 11th. Mine was on November 15th and. I am now 57.

News About the Churches

The church in Delmas is about 700. You would be very surprised to know that God has blessed the Church with more than 4 people joining every Sunday (average). The school and Church in Limonade had a great week of revival two weeks ago. Three young men were baptized and 5 people placed their membership in the church. The youth was very active and is ready for their own week of conference Dec. 6-13. The school there is going well with 200 students, from kindergarten through 6th grade.

Goal for a new Church

Last year we bought a piece of property for a new church and school to be built in Bainet. Next summer, we will start raising funds for this project. Please, keep us in your prayers.

As Christmas is coming approaching, we want to wish you all a Merry Christmas and a Happy New Year.

Sincerely Yours,

Eddy and Mirlande Bazin
